

logickeyboard™

Congratulations on your new purchase

We hope you will enjoy the LargePrint experience.

Superior quality

All Logickeyboard products are designed and manufactured in accordance with the highest quality standards.

The durability and reliability of the products are renowned in the industry. We stand behind our products and provide timely support via our website and telephone hotlines located in North America, Europe and Asia.

Warranty

Your product has a warranty of one year from the date of purchase. Please keep a proof of purchase in the event that you need to file a claim. If proof of purchase is not available, the warranty period will begin on the product's manufacture date. To return a product please contact our office for a Return Merchandise Authorization (RMA) number. If your product is found to have a factory defect, we will either repair or replace the product free of charge.

logiclight™

Use the LogicLight™ lamp to see the characters on your keyboard even better.

The LogicLight's USB connectivity makes it the perfect companion for our LargePrint Mac and PC keyboards, because it fits perfectly into their integrated USB ports. No extra cable, power supply or driver is needed. Just Plug-and-Light, and the 10 pcs built-in LED yields helpful keyboard lighting. You can even connect up to two lamps in the same keyboard for maximum illumination.
